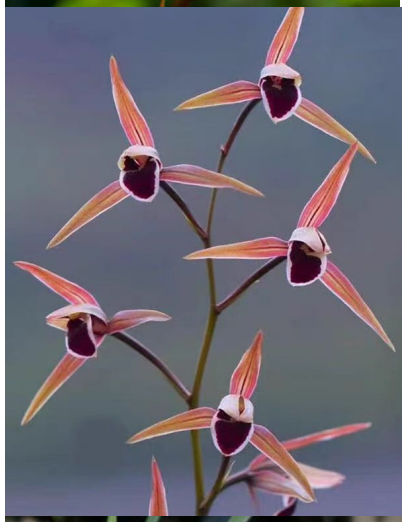
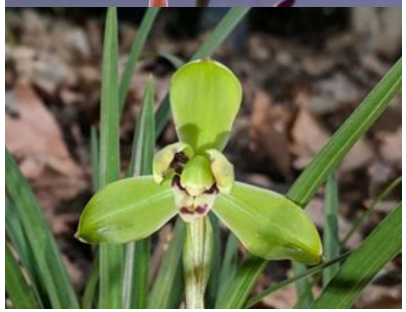
Chinese *Cymbidium*

Fair Orchids
www.fairorchids.us





Do well in East or West facing windows; spring/summer/fall the mid-day sun is too strong.

Can go outside into moderate shade late May thru September.

Temp : 45-85˚F (7-30˚C)

Water : Consistently moist, in winter let barely dry out B/4 watering.

Fertilizer: 1/3 of prescribed dose every 2-3 weeks.

Can be grown in Sphagnum/Bark (4:1), fine bark mix or very light terrestrial mix.
